

Looking to Learn Guitar?

Technique:

- * Picking Techniques & Fingerstyle
- * Holding the Guitar
- * General Fretboard Movement

Reading:

- * Sheet Music
- * Chord Symbols

Theory:

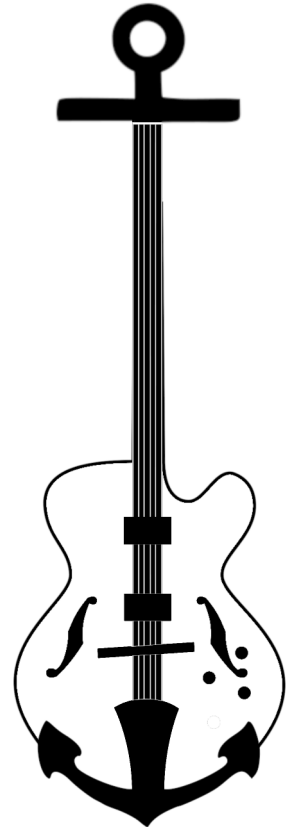

- * Recognize Chord Progressions
- * Create your own Chord Progressions

Improvisation:

- * Gain control over the fretboard
- * Improvise over songs we hear
- * Improvise over predefined chord progressions

My Teaching Style:

- * Thinking logically and constructively
- * Reduce memorization, increase understanding (build your own chords)
- * Provide tools which allow the player to experiment and learn independently
